

# Outdoor Protective Lighting Business solutions

We'll help you make your business more welcoming to the people you want to visit and less welcoming to potential trespassers.

At DTE Energy, we take pride in our Outdoor Protective Lighting (OPL) program's unique ability to make lighting the area around your business easy and affordable. When you choose OPL, your business will have the support of our highly trained team, which has delivered outdoor lighting solutions to businesses in southeastern Michigan for more than 100 years. Through our flexible portfolio of business lighting options, we'll develop a customized and affordable plan tailored to the unique needs of your business, employees and customers.
